PRINCIPAL'S MESSAGE

Dear Memorial Parents

Well I guess that it's time that I formally announce my retirement since my replacement has been named. I am pleased to announce that Mr. Corey Haley will be the Principal at Memorial next year. Please check out this [news story](#) to learn more. As you will see, he is a very accomplished educator in spite of his young years. More importantly, he's just a generally good, common sense guy as most people from Stony Plain are. Yes, he's local! I can't think of anyone better to whom to hand over Memorial.

Though I'm still caught up in the whirlwind of planning for 2024-2025 while still finishing this year, I have started to have some reflective moments as I see my 35 year career in education come to a close. The thought that is foremost in my mind is how fortunate I have been to have Memorial as my final destination. These past eight years have been incredibly gratifying to me. Schools are a reflection of their communities and Memorial is no different. We are a pretty great school because pretty great people, staff and students, come here. I've been part of ten communities as an educator and parent over the years and Stony Plain has been the best.

Thank you for getting your students registered in a timely manner. There are a handful who still need to tend to this. With course selections mostly completed, we are beginning to flesh out the details of the timetable. We are anticipating a similar enrollment next year. After two years of onboarding a good number of staff members, it is looking like things will be pretty stable next year for staffing, just a few changes.

May 3 was Educational Assistants day! A big shout out to our staff members who work so closely with our students who need a little extra care and attention. Thank you to: Mrs. Anthony, Mr. Billey, Miss Bingham, Mrs. Druggett, Mrs. Ennis, Mr. Kim, Mrs. Logan, Miss Mack, Mrs. Norman, Mrs. Schultz, Mrs. Skow, Mrs. Tamboline, and Ms. Williams. Their kindness factor is off the charts! We are so very grateful to have them on staff.

It's been a bit of a dreary spring, but any second now the sun is going to come out and it is going to be even more of a chore to keep going with school work. Please check your students' PowerSchool account regularly. There are only 28 more class days left until exams. Lots of deadlines have passed and more are looming. Help your kids stay on track to earn their credits.

Take care. :)
Ms. Jensen

MCHS General Information

PowerSchool

This is our parents' primary way to check in on their child's marks/assignments, update contact information, and pay fees.

Sign into your account [here](#). For a [tutorial](#) on how to use PowerSchool, please visit our websites "[For Parents](#)" tab. Please contact Ms. Reid, Mrs. Gemmill or Mrs. Girod at the office if you need assistance accessing your account.

Reaching Your Child At School

Cell phones can be a distraction and a disruption to classroom learning. Our teachers and your kids have worked hard together to come up with routines so that cellphones are not disrupting class. Here are some things for parents to know about communicating with their kids while they are at school.

During class time, your child has most likely turned off the phone and put it in a pouch on the classroom wall. They may not be able to respond immediately.

You can contact your child during their designated lunch hour:

Mondays: 11:25 - 12:25

Tues-Fri: 11:05 - 12:05

We appreciate your support in reaching your child directly to minimize disruption to classroom instruction. Of course, we are happy to assist in an emergency.

Reporting an Absence?

Please email mchs.absence@psd.ca

Please leave your [child's full name, grade, and reason for the absence](#).

If your student is [running late](#), please get them to check in to the office.

Picking up your child up early?

Please be aware that our phone lines are very busy between 2:45 and 3:30. There have been significant hold times.

To avoid this, please call in earlier in the day to advise of the absence. This will help you and the office. Thanks so much.

School Fees

Please note that school fees are not visible on the PowerSchool App. Access to all information is only available through the [PowerSchool website](#).

Payment Options:

- PowerSchool – Fees can only be seen through the parent portal using a browser. Fees can't be seen through the phone app.
- Cheque – Payable to Parkland School Division and may be dropped off or mailed directly to the school.
- Debit or credit – Is available at the high school or Parkland School Division.

If you have any questions, please contact Ms. Miller at the Finance Office.

TORCH TIME

IMPORTANT REMINDERS:

- *Monday Torch Time is integrated into class time and therefore, Mondays will run on a full day bell schedule with dismissal continuing to be at 3:20 pm. This changes lunch time on Mondays to 11:25 am - 12:25 pm.*
- *Tuesdays to Fridays will continue to have Torch Time scheduled from 2:45 - 3:20 pm and lunch will run from 11:05 am - 12:05 pm.*
- **Students and the school are still accountable for the whereabouts of students until the end of the full school day. All students need to be signed up for a Torch Session every Tuesday to Friday through PowerSchool.**
- **Parents and teachers can also sign up a student for a Torch Session. Students cannot unenroll from those sessions. There is a video below explaining to parents how they can sign their child up for a session.**
- **If a student is in good standing (meeting the expectations of their teachers, parents, and themselves) and have all of their assignments submitted to a passing level, they may use that time for a personal interest Torch Session (Open Gym, Fitness Training, etc.) or sign up to be Off Campus With Parent Approval. Students are also encouraged to sign up for academic sessions if they wish to improve their marks.**

Parking on Gravel Road

As this is part of a maintenance effort, it is crucial to maintain smooth traffic flow and provide unobstructed access for the maintenance crews. Road maintenance work on Golf Course Road is needed to ensure its safety and longevity.

Students are not allowed to park their vehicles along the gravel road (we are trying to be proactive with students before they potentially receive further infractions). Alternative parking options are available nearby in Westerra, as it is within a short walking distance of the school (less than 5 minutes). We appreciate your understanding and cooperation in this matter.

Attendance Matters

A 90% attendance rate means you're chronically absent.
It's equivalent to missing one month of learning in a year.
Absences reduce your chances of academic success and can negatively impact your mental well-being.

Attend today, achieve tomorrow.

Important Registration Dates

- **Thursday, June 20, 2024** - Bus pass deadline to make payment arrangements or pay-in-full.
- **Early July 2024** - Bus passes and route numbers will be mailed to parents starting at the beginning of July.

GERMANY

Spring Break Trip

Memorial German

Past Events:

The German Program trip to Germany last month went very well. The students had lots of fun visiting cities like Munich, Innsbruck, Lucerne, Cologne, and Heidelberg. They enjoyed a river cruise, gondola rides, mountain hikes, and city walks. They ate lots of traditional food, spoke some German, and hopefully made some new friends.

Upcoming Events:

German 20 and 30 Food and Culture Edmonton trip: May 2024

In the German classroom:

German 20 and 30 are progressing in their learning of more complex language structures while advancing their knowledge of Germany and its culture.

German 10 students are beginning to learn everyday German phrases while learning about German everyday life.

General Information

All interested students are welcome to join Memorial's German program. No experience or prerequisite is required to enroll in German 10. For more information about the German program, please visit <https://mchs.psd.ca/programs/second-languages/german>

MEMORIAL COMPOSITE HIGH SCHOOL

APRIL 9, 2024

ANTHONY L. JOHNSON

@THEPHOENIXFOX

The Memorial Composite Queer-Straight Alliance would like to thank Dr. James Makokis and Anthony Johnson for visiting the school! Last week MCHS was fortunate to have not just one, but two incredible Indigenous, Two-Spirit speakers visit our school and share their wisdom with us. It was truly an honor to have Dr. James Makokis and Anthony Johnson in attendance, and their insights and experiences left a lasting impact on everyone who attended. We are grateful for their time and expertise, and we look forward to more opportunities to learn from such inspiring individuals in the future.

Unified Club

Unified Club has recently launched the Challenger Baseball program in collaboration with the Jays Care Foundation. This adaptive baseball program offers students the opportunity to participate in games, drills, and engage with our valued partners.

Pancake Breakfast Update!!

A huge **THANK YOU** to everyone who supported the Annual Pancake Breakfast held last Thursday. We raised **\$920** for the Memorial Rotary Interact.

CHOIR

The MCHS Vocal Ensemble is thrilled with their results from the local music festival this month; two golds (one in each of their classes) plus a recommendation to compete at the provincial level in May. Congratulations to these wonderful singers and ambassadors! They are so proud to represent our school and our whole region at Provincials!

CNC DESIGN with Mr. Harrison

The CNC Design class has been busy designing and building a stand-up arcade machine from scratch!

Dashel Yakimchuk (Grade 11) took the lead on this project and Cassidy Sokulski added some of her artistic talents, through their hard work and determination the machine was completed and working flawlessly.

Many skills were learned and utilized to make this project come to life. The CNC router, CNC plasma cutter, and CNC vinyl cutter were used to create this machine. We had to use design concepts as well as electronic and construction techniques to ensure this project came to life.

This is just the beginning for the CNC Design class as we have plans to create some more exciting gaming machines!

Marketing

On May 21, the Marketing class is travelling to NOW radio, and Remax field (Edmonton RiverHawks) to learn how marketing is used in radio and the sports and entertainment industry.

Entrepreneurship

On May 30, two students (Bryden Pawluk and Chephren Hasse) are travelling to Calgary to participate in Inventures: The Startup and Innovation Event. It is a 2-day-all-expense paid trip.

Legal Studies

On May 23, the Legal Studies class will travel to the Law Courts in Edmonton to watch live court. It will allow them to apply in-class theory to the courtroom. On June 7, students will also participate in a mock trial at the University of Alberta. It will happen in the newly renovated Moot Courtroom. A crown prosecutor will also be visiting to speak to the class at the end of May. The date is yet to be finalised.

Business Club

The Business Club travelled to SAIT on March 24-25 to compete in the annual Case Clash. Although our students did not win, they all put up strong performances in the two-day event. They were also supposed to compete in the Saskatchewan High School Case Competition on May 3-4 but it was cancelled due to job action in Saskatchewan.

Thank you to our generous sponsors of the Business Club. They make student travel affordable.

ROBOTICS

The MCHS Robotics Team has concluded the 2023-2024 VEX Competitive Season with an impressive performance. On April 20th, the team traveled to Calgary to compete in the Western Mechatronics end-of-season tournament. In the quarter-finals, the team demonstrated exceptional skill, scoring numerous points and executing strategic defensive plays that neutralized their opponents' high-scoring elements. Although they were eliminated in the semi-finals, the team's strong performance showcased their dedication and talent.
